When value for money is a priority

Ideal 'entry-level model'

The Novo Speed Economic is a cost-effective solution for small openings up to 9 m² and normal use. Ideal for openings used by pedestrians and materials handling equipment. This door is suitable for a wide range of applications, due in part to its very competitive price. Specific features:

- door curtain made of horizontal sections of polyester-reinforced plastic and a transparent viewing section
- sections are interconnected by Novoferm's unique aluminium stiffener/hinge profiles that allow fast and simple replacement of individual sections
- aluminium bottom beam with a rubber floor profile
- steel U-shaped side guide with brush seals

Options

- available with a Flex-Edge bottom beam

Available control units:

T100R

T100R FU

Aluminum reinforcing profile

Flex-Edge bottom beam
