The standard tubular motor allows elegant styling without taking up excessive space in the store. And if you truly want to dot your i's and cross your t's in terms of presentation, you can also print your logo or a photographic image on the PVC door curtain.

Safety is obviously the most important consideration in areas with a high customer density such as supermarkets. The NovoSpeed Retail is equipped as standard with a Flex Edge bottom beam and can be supplied with either a mechanical or an automatic emergency opening system for use in the event of a power failure.

Options

- Flex-Edge instead of aluminium lower beam
- counterweight instead of spring for balancing
- industrial integrated drive
- multiple photocells in the side guides
- mechanical emergency release
- automatic release in the event of powerfailure
- door leaf featuring a print of your choice
